Achievements

“ Demonstrates a culture of co-sharing and learning growth loops and exchanging knowledge within countries which have gone through scale journey and in relatively similar context. ”

“ I came expecting to build a portfolio of 25-30 companies in Africa over the next 10 years. I leave with a clear vision to build a portfolio of over 100+. ”

“ India can truly share a lot of lessons for homegrown venture capital ecosystems. ”

“ I have never been to a conference where the room is never empty and everyone keeps coming back. ”

“ Every session has been a full house ! Absolutely awesome !! ”
